Terms and Conditions of Participation

1 Participants in AIMEX trade exhibitions must be Australian Organisations, either sole traders, partnerships, or companies registered in Australia and conducting export related business in Australia. AIMEX reserves the right to decline any application for participation in an AIMEX trade exhibition where it is determined that the Australian organisation is not conducting business in Australia, or is not export ready, or is not likely to contribute to trade between Australia and overseas countries.

2 The exhibit must be attended by an employee, representative or agent of the participant, and the exhibitor must meet costs involved.

3 The Australian International Marine Export Group (AIMEX) normally accepts applications only from principals (ie. manufacturers or merchants actually owning the goods at the time of export). AIMEX reserves the right to seek confirmation that merchants are authorised to sell the products being promoted in the market concerned.

4 AIMEX reserves the right to accept or reject any application, to exhibit or withhold any items submitted for exhibition purposes, and to allocate space and position in accordance with the overall design and limitations of venue and any other special circumstances that may arise.

Exhibitors cannot sub-let exhibition space to other parties without AIMEX's prior written agreement.

5 The exhibitor will make all arrangements, accept all responsibility, and meet all costs for the supply and disposal of exhibit items, including packaging, documentation, freight, handling, insurance, customs clearance, import duties and other taxes.

6 No items on display may be removed by the exhibitor or authorised representative from the exhibition site during the exhibition. Exhibitors undertake to take possession of their display goods at the conclusion of the exhibition or when requested to do so by AIMEX or its accredited officers.

7 In the event of an exhibitor's withdrawal from the exhibition AIMEX accepts no responsibility for any financial losses incurred. (See **Withdrawal** clause below).

8 The exhibitor agrees to indemnify AIMEX, its employees and agents against all actions, proceedings, claims and demands which may be brought or made against AIMEX, its employees and agents, by any person, firm or corporation in respect of any loss, damage or injury (including death) occurring to any person or property arising out of or in connection with participation in the Exhibition or, the use or occupation of the space and position allocated by AIMEX or from anything owned, operated, exhibited, displayed, demonstrated by or under the control direct or indirect of the exhibitor or arising from necessary cancellation (See **Cancellation** clause below) and such indemnity shall include any costs incurred by AIMEX in defending such actions, proceedings, claims and demands and any costs incurred in being represented at any proceedings arising out of any accident including any inquiry or inquest.

9 Access to an AIMEX exhibition site is restricted until payment is received in full, prior to the commencement of the specified exhibition. AIMEX reserves the right to prohibit access by the exhibitor to the exhibition site where payment has not been received in full prior to the commencement of the event.

10 Late registration – In the event that a potential exhibitor registers after the published deadline of a specified exhibition, and should space be available to accommodate this client, AIMEX will endeavour to accommodate the client but there will be no guarantee provided that will ensure the client a place in the specified exhibition.

11 All registrants consent to AIMEX approving of any independent sponsorship arrangements prior to participation in this exhibition.

Payment Terms and Exhibitor's Responsibilities

Payment Terms

All invoices for exhibition participation are payable within the terms of the invoice and prior to the exhibition. Exhibitors will not be permitted to exhibit under the terms of this agreement until full payment is received by AIMEX. Space is not confirmed until payment is received.

Late Applications

Costs

Exhibitors are required to bear all costs involved in the provision, disposal or return of exhibit items, product samples, sales literature and any cost involved in the manning of the exhibitor's display as well as any other costs as outlined in the Exhibitor Package. Where an exhibitor has requirements beyond the normal allocation, the exhibitor shall bear the additional costs involved, at the sole discretion of AIMEX.

Applications received less than 60 days before the exhibition will be sent an invoice for the total participation fee and required to pay strictly within the stated terms.

Withdrawal

An exhibitor will be liable for costs up to the value of the **full participation fee** should they decide to withdraw at **any stage** after an application form is signed, UNLESS a suitable replacement is found. AIMEX makes no guarantees to find a replacement but shall use its best endeavours, at its discretion. Once notice of withdrawal is given, AIMEX reserves the right to re-contract the space without further consultation.

If a suitable replacement **is contracted**, the exhibitor may still be liable for costs incurred by AIMEX on their behalf. This may include a cancellation fee of **AUD\$1000** for time and administration costs.

If a suitable replacement **is not found**, the exhibitor shall be liable to pay the **full participation fee** before the exhibition commences.

Cancellation of Exhibition

AIMEX reserves the right to cancel any Exhibit at any time when, at AIMEX's sole discretion, the risk to persons or property are judged to be unacceptable. AIMEX will endeavour to consult with exhibitors should this event appear likely, but shall accept no liability for any loss arising from such cancellation from exhibitors and exhibitors specifically indemnify AIMEX from any third party claims arising from such cancellation.

Freight Arrangements

AIMEX may nominate a forwarding agent to consolidate shipment of exhibit goods from Australia. Exhibitors will be responsible to liaise with the forwarding agent and meet all costs, etc., including customs clearances, freight and handling charges. Exhibitors are under no obligation to utilise the nominated forwarding agent. AIMEX is not responsible for the clearance of display goods, delivery to display site, etc.

Import and Related Charges

Exhibitors are responsible for meeting all charges incurred in import duties, bonds and other taxes where applicable.

Insurance

The Exhibitor agrees to take out and keep current Public Liability insurance for the period of the Exhibit, covering all Public Liability risks arising from participation in the Exhibit.

Provision of Exhibit Items

Exhibitors are responsible for the provision and disposal of exhibit items, product samples, sales literature, etc. Exhibitors are strongly advised to insure exhibit materials against loss or damage, in transit and at the exhibition site. The cost of such insurances is to be met by the exhibitor.

Disposal of Goods

It is the responsibility of the exhibitor to arrange for the disposal or return of their exhibit items.
